CAREER SUMMARY

Recent graduate of the University of Pennsylvania's Full Stack Flex Coding Certificate program. Completed a degree in biology and am now expanding my knowledge to web development. Learned the fundamentals of JavaScript, HTML, CSS and am currently working on an assignment which uses a MERN stack and Apollo/graphql to create a public blog. Actively seeking to improve and gain further knowledge in computer programming by working on personal projects and learning new technologies

EMPLOYMENT

August 2020- September 2021

New Image Cosmetic Surgery Center, Plantation Florida
Assistant Surgical Technician
- Preformed sanitization of surgical instruments
